An introduction to Home-Start Glasgow South

Home-Start Glasgow South is a leading family support charity striving to give young children the best possible start in life. We work *with* families to equip parents to parent well regardless of the challenges they face. We have been operating across the south of Glasgow for 18 years and have grown to become the largest Home-Start in Scotland and one of the largest in the UK.

The Role

We are looking to recruit a Trustee with a legal background. Ideally, you will be a team player who wishes to share their expertise and work with others to enable the Board to provide governance and strategic direction to the charity.

Becoming a trustee with us is a rewarding way to share your skills and contribute to enhancing the welfare and support of vulnerable families.

The time commitment is typically 1 day a month split over a range of activities from reading and commenting on papers to attending Board meetings and occasional training events. This is a voluntary position with travel expenses reimbursed.
